Exceptional Amenities

Game Courts

Nine racquetball and three tennis courts offer an abundance of space for a multitude of games and activities. The full-size gym has a rising curtain and allows for half-court basketball, volleyball or even bumper cars. Additionally, the multipurpose gyms support soccer, badminton, hockey and other games as well as small dances.

The tennis area is generally used for large games or in-line skating. Also, the SRC plays host to several conferences, festivals, and arts and craft shows each year.

Climbing Wall

Three stories high with three degrees of climb, our climbing wall is always a great activity for an energetic group or a team-building exercise.

Aerobic Room

This room is ideal to host graduation bashes or prom parties. Laser tag, casino games and small dances are particularly popular in this space.

Swimming Pool

The pool area is an excellent venue for juvenile and adult birthday parties. This space safely accommodates 65 people and has conveniently located men's and women's locker rooms and saunas. The swimming pool is connected to a swirl pool, where you can experience a relaxing rush of water to calm nerves or tickle young swimmers.

Fitness Room

This room is great for hosting a wellness event, indoor cycling or training workshop. Twenty Schwinn Evolution stationary bikes, designed for comfort and control, are available.
