

Registration Meetings

A general meeting will be held prior to the start of each sport or event. This meeting is held to inform participants of all relevant information such as location of play, rules of play, playing dates, fees, eligibility requirements, etc. A manager must attend or send a representative for their team to enter a roster and be eligible to play in that sport or event for which they are interested in participating. A minimum number of teams must be established in order for a league, tournament or event to be held.

Free Agents

Individuals who would like to participate in a team activity, but have not found a team to play with are encouraged to come to the general meeting in order to obtain assistance in placement on a team.
